We're getting new orders from new customers for our rams and ewes, so please book in if you want any. We need confirmation in the next week or so to ensure you retain your pick!

Give your best indication of your Ram or Ewe requirements (breed and number.) We just need a guide, even if its none, one or 15+ rams. This booking indication will help us immensely in sorting out rams, numbers required for existing Ram buyers, and working out how many new interested farmers we can book in after you.

Also there is a space for comments on the rams and resulting progeny. Be brutally honest; feedback is a huge help with breeding better rams.

### LOYALTY DISCOUNT

**up to 30% off**  
3% for each previous year
